CELEBRATING 10 YEARS!

The first churches in the Kairos Network launched in 2005. At the end of 2015, we celebrated 10 years as a movement with a:

- Banquet in Torrance, CA looking back at the past 10 years and forward to a new church plant in Torrance.
- Planter retreat on a Carnival Cruise to Catalina and Ensenada. 29 planters and support staff spent 5 days together thanks to the many generous donors.
